Spencer J. Cox
Lieutenant Governor

The People's Right (TPR)

Statement as to Signature Gathers

We Anticipate and incorporate the following, it is foreseen that both unpaid and paid signature gathers will be required to be successful.

Salt Lake City, UT, December 12, 2019 - The People's Right (TPR), Once again the pompous, arrogant and smallest legislative body in the state of Utah (the Legislature) has once again set its pen at the destruction of liberty under the ruse of extraordinary circumstances. This will be stopped, this must be stopped . TPR Chair Steve Maxfield lamented.

Today at 4:50 PM Legal voters of the State of Utah will file a second complete application packet with the Lt. Governor of the State of Utah under the Authority of Article VI Sections (2)(a)(i)(B). ***The legal voters of the State of Utah**, in the numbers, under the conditions, in the manner, and within the time provided by statute, may... (B) require any law passed by the Legislature, except those laws passed by a two-thirds vote of the members elected to each house of the Legislature, to be submitted to the voters of the State, as provided by statute, before the law may take effect.*

There has been much discussion with the LG's office about adding sponsors to the referendum petition Filed by Fred C Cox (2019 Tax Referendum) and overtures by the organization itself, the stated goals and purposes to obtain the end

result is naïve and will fail. The previous application will not use paid signature gathers in order to obtain the well over 100,000 valid signatures, even if they can they will not be able to stop the special interest in knocking off at least one of the 15 counties required. To my knowledge there has only been 2 successful state wide referendums in recent memory. Save GRAMA circa 2011 (HB 477) Which Steve Maxfield was the chair and vouchers completed by UEA UTA et al.

Steve Maxfield Stated: *We were so successful the Legislature reversed course called another special session and repealed their own bill. The stark reality is we would not have been able to gather the requisite signatures under the old law. The new law places additional burdens in printing cost alone. Now instead of a signature packet being valid until you run out of signature sheets (50 Pages), it is dead after 14 days. TPR relied on one single individual (despite numerous promises to the contrary) to fund the printing of 10,000 signature packets. There is no way TPR could even fund the printing of this new patently unconstitutional requirement that places an undue burden on the legal voters of the state of Utah and serves NO valid countervailing governmental purpose.*

With that stark reality TPR is forced to file its own competing referendum with the stated intent to Use Paid Signature Gathers (UPSG).

It's unfortunate that is has come to this, the only way for the citizens to participate in the larger, organic and ultimate legislative process is to beg special interest for

the estimated 5 million dollars to gather the signatures, in the time, manner, and in the number as provided by statute...We are open for business”

Steve Maxfield Chair TPR

191 **-- Approved codes -- Exemptions.**
