189 **-- Approved codes -- Exemptions.**

190 (1) (a) The State Construction Code is the construction codes adopted with any
191 modifications in accordance with this section that the state and each political subdivision of the

200 occupancy loads, other demands, or safety risks of the building.

201 (c) On and after July 1, 2010, the State Construction Code is the State Construction
202 Code in effect on July 1, 2010, until in accordance with this section:

203 (i) a new State Construction Code is adopted; or

204 (ii) one or more provisions of the State Construction Code are amended or repealed in
205 accordance with this section.

206 (d) A provision of the State Construction Code may be applicable:

207 (i) to the entire state; or

208 (ii) within a county, city, or town.

209 (2) (a) The Legislature shall adopt a State Construction Code by enacting legislation
210 that adopts a nationally recognized construction code with any modifications.

211 (b) Legislation described in Subsection (2)(a) shall state that the legislation takes effect

on the July 1 after the day on which the legislation is enacted, unless otherwise stated in the legislation.

(c) Subject to Subsection (6), a State Construction Code adopted by the Legislature is the State Construction Code until, in accordance with this section, the Legislature adopts a new State Construction Code by:

(ii) amending or repealing one or more provisions of the State Construction Code.

(3) (a) Except as provided in Subsection (3)(b), for each update of a nationally recognized construction code, the commission shall prepare a report described in Subsection (4).

(b) For the provisions of a nationally recognized construction code that apply only to detached one- and two-family dwellings and townhouses not more than three stories above grade plane in height with separate means of egress and their accessory structures, the commission shall:

(i) prepare a report described in Subsection (4) in 2021 and, thereafter, for every second update of the nationally recognized construction code; and

(ii) not prepare a report described in Subsection (4) in 2018.

(4) (a) In accordance with Subsection (3), on or before September 1 of the same year as the year designated in the title of a nationally recognized construction code, the commission shall prepare and submit, in accordance with Section 68-3-14, a written report to the Business and Labor Interim Committee that:

(i) states whether the commission recommends the Legislature adopt the update with any modifications; and
