RE: Fiscal Impact Estimate for Repeal of Independent Redistricting Commission  
Indirect Initiative

Lieutenant Governor Henderson:

This letter responds to your October 17, 2025 request for an initial fiscal impact estimate of the application for an initiative titled "Repeal of Independent Redistricting Commission" as required under UCA 20A-7-202.5.

The Office of the Legislative Fiscal Analyst estimates that under current law as interpreted by the Utah Courts at the time of this writing, if the Repeal of Independent Redistricting Commission initiative qualifies for submission to the Legislature and is subsequently enacted, the state could avoid approximately one million dollars in redistricting-related expenses every ten years.

If you have any questions regarding this estimate, please contact my office.

Sincerely,

  
Jonathan C. Ball  
Legislative Fiscal Analyst
