Hello Millard County,

Here are your randomized batches for the 2025 General Municipal Election post-election audit. The summary report for the batches is available to view in Enhanced Audit. Note: Some of the summary reports are very large files, you can use the ctrl+f function to find the batches selected for that audit and print just those pages.

Please follow the audit policy (attached below), which includes swearing in all individuals participating in the audit, having no more than 1 clerk employee per pair of auditors, and signing an audit report of your creation listing what was audited, any exceptions, and the signature of each auditor that participated. This audit report should be retained for your records.

Please note that if your county had a candidate withdraw or an election that was cancelled after the programming was done, those will likely still appear in your results and you must manually remove those races.

The audit policy requires 1% of ballots to be audited, with a minimum of 50 ballots.
