UTAH VOTER REGISTRATION DATABASE REQUEST

Please fill out the following information:

Name

Phone Number

Email (the database will be sent to this email)

The cost of the voter database is \$1,050.00.
If you would like to pay with a credit card, please call (801) 538-1041 to conduct a transaction over the phone. Please make checks payable to "State of Utah."

If you are an agent, employee, independent contractor, or volunteer of a political party / candidate for public office, or you are a candidate for public office, you are eligible to receive voter registration records classified as 'private' records.

Please indicate whether you would like voter records classified as 'private' included in the database:

- Yes (includes Year of Birth) No

If you checked YES above, you must be a qualified person as defined in UCA 20A-2-104(4) and explain the purpose for obtaining voters' year of birth. Please indicate your qualification by checking one the boxes below:

- I am a government official or employee acting in my capacity of a government official or employee.
I am an agent, employee, or independent contractor of a health provider (see UCA 26-33a-102).
I am an agent, employee, or independent contractor of an insurance company (see UCA 67-4a-102).
I am an agent, employee, or independent contractor of a financial institution (see UCA 7-1-103).
I am an agent, employee, independent contractor, or volunteer of a political party or candidate for public office.
I am a candidate for public office.
I am a member of the media who would like to verify the identity of a single individual.

Documentation is required to show you are a person qualified to receive this private information. Attach a letter explaining the purpose for obtaining voter's year of birth\*, who will have access to this private information, how the information will be secured, etc.

\*Government officials or employees can only use voters' birth dates for their respective governmental capacities. Health providers, insurance companies, and financial institutions can only use birth dates to verify the accuracy of personal information submitted by an individual or to confirm the identity of a person to prevent fraud, waste, or abuse. Political parties and candidates can only use birth dates for political purposes. Members of the media can only use birth dates to verify the identity of a single individual. Any other use of voters' birth dates is prohibited by law.

Please read and initial:

- I understand that 'private' voter data is a different classification than 'withheld' voter data. Anonymized data for withheld voters will only be given to those who qualify to receive private voter data. (see UCA 20A-2-104).
I understand that making false statements in this document is punishable by law under UCA 76-8-504.
I understand that an individual who obtains a voter registration record under false pretenses, or provides or uses voter registration information that is obtained from the list of registered voters in a manner prohibited by law, is guilty of a class A misdemeanor.
I understand that an individual who obtains voters' year of birth under false pretenses, or provides or uses voters' year of birth that is obtained from the list of registered voters in a manner prohibited by law, is guilty of a class A misdemeanor and is subject to a civil fine which may reach or exceed \$48,000.

Please read and sign (or type your name):

I swear / affirm that the information I provided above is true and correct to the best of my knowledge.
